About **moris**media

Moris Media is a leading public relations, corporate communications and event management boutique agency with more than 12 years of industry experience, recognised as the world's 3rd-largest PR and event management boutique agency. Operating across 40+ countries and supporting 750+ departments, service functions and specialised operational areas, the organisation delivers integrated public relations, executive communications, corporate events, conferences, exhibitions, product launches, government engagements, business forums, media events and stakeholder communication programmes for clients across diverse industries.

Within Public Relations & Event Management, the **Event Management & Corporate Communications** department plays a central role in transforming business objectives into professionally managed corporate experiences, executive engagements, stakeholder events and large-scale business functions. Operating from **Thane**, the department manages event strategy, production planning, venue coordination, vendor management, brand communication, protocol management, operational supervision and quality-focused delivery across every stage of an event.

The **Corporate Events Manager** position is designed for an experienced professional who can take ownership of complex corporate productions while maintaining accountability for planning, budgets, schedules, creative standards, stakeholder expectations, vendor coordination and on-ground event management. Operating through an **On The Road** work model from **Thane**, the role requires a mobile, client-facing and field-based approach across venues, production sites, corporate offices, exhibition centres and event destinations.

Professionals joining Moris Media become part of a performance-driven organisation where structured planning, responsible communication, operational excellence, collaboration and professional accountability support the successful delivery of high-profile corporate events while contributing to long-term career growth and industry experience.

Job Summary

The **Corporate Events Manager** is responsible for leading the planning, coordination and successful delivery of corporate events, executive engagements, product launches, inaugurations, business conferences, media events, exhibitions, VIP programmes and strategic stakeholder initiatives managed by Moris Media. Working within the **Event Management & Corporate Communications** department, this position supports the organisation's commitment to delivering professionally managed events that strengthen client relationships, enhance brand reputation and maintain the highest standards of operational excellence across the Public Relations & Event Management industry. The selected professional will primarily operate from **Thane**, while supporting approved business travel and on-site event operations whenever required.

This is a **Full-Time** position intended for professionals with **3 to 5 years** of relevant experience in corporate event management, event production, hospitality, corporate communications or related disciplines. The role serves as the central point of coordination between clients, senior management, internal departments, production teams, venue partners, vendors, media representatives, government authorities where applicable and other stakeholders, ensuring every project is delivered according to approved timelines, budgets, operational requirements and quality standards.

Operating through an **On The Road** work model from **Thane**, the **Corporate Events Manager** is responsible for managing location-based, client-facing and field-driven operations. The position requires regular coordination across corporate offices, event venues, production facilities, exhibition centres, client locations and business destinations while maintaining continuous communication, operational supervision and timely decision-making throughout every stage of event planning and execution.

The role requires a high level of ownership, accountability and operational consistency while managing multiple projects simultaneously. Success in this position depends on the ability to coordinate changing schedules, supervise event documentation, monitor project milestones, manage stakeholder expectations, resolve operational challenges, control vendor activities and maintain effective collaboration across cross-functional teams without compromising quality, compliance or delivery timelines.

The ideal candidate is **Organized, Adaptable, Strategic Planner, Leadership-Oriented, Strong Communicator, Resourceful and Professionally Presentable**, with the confidence to represent Moris Media professionally across client meetings, business events and industry engagements. Through structured planning, disciplined coordination and consistent operational delivery from **Thane**, the **Corporate Events Manager** contributes directly to client satisfaction, business continuity, service excellence and the long-term growth of Moris Media.

Primary Responsibilities

- **Corporate Event Planning and Management**

Lead the end-to-end planning, coordination and execution of corporate events, executive meetings, conferences, product launches, VIP engagements, inaugurations, award ceremonies, networking events and other business functions across Moris Media and its associated brands.

- **Project Planning and Execution**

Develop comprehensive event plans, project timelines, operational schedules, execution strategies and

contingency plans to ensure every event is delivered efficiently, safely and within approved deadlines.

- **Client Relationship Management**

Serve as the primary point of contact for corporate clients, maintaining professional communication, understanding business objectives, managing expectations and ensuring exceptional client satisfaction throughout the project lifecycle.

- **Stakeholder Coordination**

Coordinate effectively with corporate executives, government representatives, VIP guests, business partners, sponsors, media organisations, internal departments and external stakeholders to ensure seamless event delivery.

- **Creative Event Development**

Conceptualise event themes, branding elements, guest experiences, venue layouts and creative production ideas that align with client objectives, brand identity and event goals.

- **Venue Planning and Site Management**

Identify suitable venues, conduct site inspections, coordinate venue logistics, supervise layout planning and ensure operational readiness before, during and after every event.

- **Vendor and Supplier Management**

Identify, negotiate and coordinate with production vendors, fabrication partners, audiovisual suppliers, decorators, hospitality providers, caterers, transportation partners, security agencies and other service providers to ensure timely and high-quality project delivery.

- **Budget Planning and Cost Control**

Prepare event budgets, monitor project expenditures, negotiate commercial agreements, control operational costs and ensure financial accountability throughout every stage of the event.

- **Production and Logistics Management**

Oversee event production schedules, staging, branding installations, audiovisual arrangements, lighting, fabrication, furniture, transportation, hospitality, registration systems and other operational logistics.

- **Timeline and Project Coordination**

Monitor project milestones, production schedules, vendor deliverables and installation timelines while ensuring all activities remain aligned with approved project plans.

- **Corporate Communication Support**

Coordinate event-related communication with clients, vendors, media representatives, internal departments and executive stakeholders while maintaining professionalism and brand consistency.

- **Media and Public Relations Coordination**

Support media invitations, press conferences, media registration, interview coordination, press kits and public relations activities associated with assigned corporate events.

- **Guest and VIP Management**

Coordinate invitations, confirmations, travel arrangements, hospitality requirements, protocol management and personalised experiences for VIP guests, dignitaries, business leaders and special invitees.

- **Risk Assessment and Contingency Planning**

Identify operational risks, anticipate potential challenges, develop contingency plans and implement appropriate solutions to minimise disruptions during event execution.

- **On-Ground Event Leadership**

Lead on-site event operations by supervising setup, rehearsals, live execution, guest management, vendor coordination, troubleshooting and event closure while maintaining operational excellence under pressure.

- **Quality Assurance**

Monitor every aspect of event execution to ensure compliance with approved quality standards, client expectations, safety requirements and organisational procedures.

- **Documentation and Reporting**

Prepare event proposals, production schedules, budgets, vendor agreements, operational reports, event checklists, project documentation and post-event evaluation reports.

- **Cross-Functional Collaboration**

Work closely with Creative, Public Relations, Digital Marketing, Production, Finance, Administration, Operations and leadership teams to ensure successful event planning and execution.

- **Resource Planning and Allocation**

Allocate manpower, equipment, production resources, vendor support and operational requirements to maximise project efficiency and event success.

- **Compliance and Safety Coordination**

Ensure all event activities comply with venue regulations, operational guidelines, health and safety requirements, government protocols and company policies.

- **Technology and Event Systems**

Coordinate the use of event management platforms, registration systems, project management software, digital collaboration tools and communication platforms to support efficient project execution.

- **Travel and On-Ground Operations**

Travel domestically and internationally whenever required for client meetings, venue inspections, site surveys, production planning, vendor coordination, event setup, live event execution, post-event dismantling and other approved corporate event assignments.

- **Team Leadership and Coordination**

Provide operational guidance, delegate responsibilities, monitor performance and coordinate internal teams, freelancers, production crews and event personnel to achieve successful project outcomes.

- **Continuous Process Improvement**

Identify opportunities to improve event planning processes, operational workflows, client experience, vendor management practices and execution standards while contributing to the ongoing growth and success of Moris Media.

- **Confidentiality and Professional Conduct**

Maintain strict confidentiality when handling client information, commercial agreements, financial records, event strategies and business discussions. Represent Moris Media with professionalism, integrity and exceptional business etiquette at all times.

Required Skills

Ability to collaborate confidently with senior executives, government officials, VIP guests, media representatives, sponsors, venue partners, vendors and internal departments while maintaining professionalism and business etiquette.
- **Vendor Management**
Experience in identifying, negotiating, coordinating and managing production vendors, fabrication partners, audiovisual suppliers, hospitality providers, transportation companies, decorators and other event service providers.
- **Budget Management**
Strong financial awareness with the ability to prepare budgets, monitor project costs, control expenditures, negotiate commercial terms and maximise operational efficiency without compromising quality.
- **Production and Logistics Coordination**
Practical knowledge of event production, venue operations, staging, audiovisual coordination, branding installations, hospitality arrangements, transportation logistics and operational resource management.
- **Creative Event Conceptualisation**
Ability to develop creative event concepts, corporate themes, guest experiences, venue layouts and brand-aligned event presentations that meet client objectives.
- **Venue and Site Management**
Ability to conduct venue inspections, evaluate event locations, supervise site readiness and coordinate venue logistics to ensure successful event execution.
- **Time Management**
Excellent organisational and scheduling skills with the ability to manage multiple events, competing priorities and strict project deadlines efficiently.
- **Problem-Solving and Decision-Making**
Strong analytical abilities to identify operational challenges, evaluate alternatives, make informed decisions and resolve on-ground issues quickly and professionally.
- **Risk Management**
